kinkos.js

Copy the text from the comment note and paste into a text editor. Save the file as a text only file with a .js extension and copy to your Acrobat JavaScripts folder.

```
app.addMenuItem({
cName: "Kinkos",
cParent: "Help",
cExec: "app.launchURL('https://partner.fedexkinkos.com/partnerInit.do');",
nPos: 16
});
```
